

BIOGRAPHICAL INFORMATION: NANCY ELLISON

Nancy Ellison is currently Vice President, Government Affairs, for UnitedHealth Group's Pacific Northwest Region. She joined United last summer after spending nearly seven years as Assistant Vice President and Director of Public Policy for Regence BlueShield in Seattle, Washington. Prior to her career in the private sector, she was Deputy Secretary of Health for the Washington State Department of Health. She also served three years as Administrator of the Oregon Insurance Division, Oregon's chief insurance regulator, and was a Deputy Commissioner for Health Policy in the Office of the Washington Insurance Commissioner. She also served for six years on the board of a local Pacific Northwest Health Maintenance Organization.

Nancy is an attorney licensed in Washington and California, and also holds a doctorate in public health. She is active on several professional and community service boards and charitable organizations.
