The financial health of your organization  
is directly linked to the health of your  
employees.

## Northwest Employer Symposium on Value Based Employee Benefit Plans

Join The Partners Group and John Miall, national key-note speaker and health care innovation expert, for an informational morning focused on value based, data driven health plan management strategies. Come network with other healthcare decision makers from large Northwest employers to find out what all of the value based health and productivity buzz is about. Walk away with practical strategies to lower your rate of healthcare and disability inflation, improve the health of your employees and ultimately, your organization's bottom line.
